BUILDING REFURBISHMENT

1. Enabling works on-going to several buildings in line with Government protocol for Listed Buildings.

2. OCCUPIED BUILDINGS

Building 80/81 | Creative Industries Hub

The creative industries hub provides 12,002 sq2 to support the development and growth of the creative industries. The hub provides incubation and follow on space, meeting rooms, communal space to facilitate networking and

clustering, and bespoke support programmes for the creative media and digital content sectors. The Hub is running to full capacity at present.

Buildings 57/59 | Ollie's on the Square

Ollie's Café uses locally sourced produce and offers an extensive menu from 9am 'til late, seven days a week.

Building 70 | Walled City Brewery

Building 70 has been refurbished as a Craft Brewery, the Walled City Brewery (WCB). It produces premium quality beer and has an extensive food menu. WCB is a welcome

addition to the city's tourism attractions, offering guided tours to see the brewing process first hand, and gives the opportunity to taste and purchase products on site.

Building 104 | Small-medium enterprises

Building 104 was a purpose built accommodation block constructed between 1895 and 1904 and is a listed building. In July 2018 it opened as a state of the art office accommodation block. It can accommodate 19 new Small-Medium Enterprise (SMEs) business start-ups, and provide employment opportunities for up to 45 staff. Enterprise North West manage the building and have signed a ten year lease.

Building 62 | Glen Caring

Building 62 was constructed between 1875 and 1904 and opened for business in July 2017 to provide community caring/respite services.

3. AGREED DEVELOPMENT – IN PROGRESS

Grade A | Office Accommodation

Grade A offices will be built on the Ebrington site providing 62,500 sq2 of office space and is due to open in mid-2021. It has the potential to accommodate up to 400 staff.

The developer Heron Property Limited received planning approval from DfI in September 2019. Construction works started December 2019.

Building 4 | Office accommodation

Kevin Watson Group (KWG) has just completed fit-out of the Building to a very high standard commercial office space

to accommodate its expanding business. Over 35 staff from KWG will occupy this building from February 2020.

Building 30 | Café/Bike Hire

The selected tenant intends to develop Building 30 into a café and bike hire business. Planning and Scheduled Monument

Consent approval received December 2019, the tenant plans to occupy the building by May 2020.

Building 40 | Restaurant/Bar

The proposed has sought planning permission to develop Building 40 into a licensed restaurant and bar. Planning to open in late spring of 2020 subject to planning approval.

Buildings 63, 67, 68, 69 & 79 | 4-Star Hotel with Spa & Leisure Facilities

Ebrington Leisure Holdings Limited has planning permission to develop this group of buildings into a 4-star,

152 bed hotel with spa and leisure facilities in a two-phased development. Construction is planned to start in May 2020.

Building 102 | Convenience Store

An established retailer has received planning permission to develop this building as a convenience retail store. Legal agreements are complete and works are underway. Planned opening June 2020.

Buildings 83, 85, 117 & 118 + Development Lands

Building 83 is an L shaped two storey former accommodation building with a ballroom attached to the rear. Building 85 was formerly the Officer's mess built c1875, and is a two storey brick Victorian villa. Buildings 117 and 118 were formerly married quarters built in the late nineteenth century.

A Development Agreement has been signed with Ebrington Holdings Ltd to create mixed uses for the buildings, develop the land and provide car parking in line with the Ebrington Development Framework, subject to phased full planning approvals. The development includes plans for residential, commercial office space, childcare/nursery, event space and art/creative industries.

Buildings 115 & 116 | Boy & Girl School Houses

Formerly Buildings 115 and 116 were military boys and girls school houses and joined by a central link built in 1955. These buildings were offered to the market in April 2019 as two separate buildings and preferred tenants have been

identified. The approvals and legal processes associated with these disposals are underway. Occupation is expected in late spring 2020.

4. PHASE 6 MARKETING

Building 10 & 10A

A listed building located on the south side of the 1841 Star Fort, building 10 was the original guard house. This building was offered to the market in June 2019. Tenants have been secured and the approvals process is well advanced.

Building 11

Building 11 overlooks the south side of Ebrington Square and was built in 1841 as a "barrack store". The building can be extended to the rear and is located beside the underground car park. The foundations of the southern wall of the Star Fort are clearly visible to the rear of Building 11. This building was offered to the market in June 2019. Tenants have been secured and the approvals process is underway.

Building 17

A listed building located on the south side of Ebrington Square overlooking the River Foyle, the Barrack Master's House has a walled garden within the Star Fort. It has also been known as the Admiral's House. This building was offered to the market in June 2019 and a tenant was secured. The approvals process is ongoing.
